

# \* Aldrich Enrichment Opportunities for 2015-2016 \*

*Another wonderful way for your child to learn and grow at Aldrich!*

## Full Year Classes

**SPANISH:** Introduce your child to the Spanish language and culture! This class is held for 30 minutes immediately after the morning preschool session. Vocabulary and songs will be reviewed and added each week, and children will learn more about the Spanish culture through stories, songs, and snack!

**STeAM:** **\*\*NEW for 2015-2016!!\*\*** Science, Technology, Engineering, Art, & Mathematics

## Five Week Classes

**World Chefs:** Come travel the world... of food! We'll stamp our passports and cook up wonderful new recipes around the globe! This class teaches healthy eating habits and introduces the children to different cultures. Through hands on recipes children learn cooking can be fun and nutritious. The class encourages children to try new foods, learn about the culture, and practice counting and measuring while having fun in the kitchen. Get ready to explore the world around you!

**Science Explorers:** Grab your goggles and lab coat... we are heading on a scientific discovery mission to explore the world of science!. Develop your child's interest in science with this hands-on, interactive class. Each week children will conduct a different science experiment. We predict, observe, experiment and draw conclusions. Be prepared to get messy and have lots of fun!

**Creative Builders:** Calling all inventors, creators, builders, and designers...come and build some awesome creations with us! We will create our own designs and make structures using Legos, recyclable materials, and many other interesting items. Skills necessary: none! Skills gained: communication, problem solving, reasoning, developing creativity, and team work.

**My Five Senses:** Explore what our bodies can do: Sight, Smell, Taste, Touch, and Sound. We will do activities that involve sensory experiences that identify, compare and classify items as we investigate the world around us. What helps you tell about the senses and why are senses important? Can you smell the fun?
