

**\* Aldrich Enrichment Opportunities for 2018-2019 \***  
**Another wonderful way for your child to learn and grow at Aldrich!**  
 Registration form is on the **back** of this sheet.

**MUSIC EXPLORERS: (Wednesdays or Thursdays, 11:35-12:05)**

Children will enter a world of imagination and creativity! This class will expose your child to a variety of musical styles and instruments, basic rhythm concepts, and elements of song. Active and energetic children will thrive as we use movement to explore music on a deeper level. Along with laying the foundation for musical concepts, it will also provide opportunities for brainstorming and thinking outside of the box.

- Music Explorers will run for the whole school year, a total of 26 sessions.
- Tuition is \$200. Registration will continue throughout the year as long as openings remain.
- These classes are held 11:35 to 12:05, immediately following the morning preschool sessions.
- Music Explorers is not available for those attending FULL DAY preschool classes.

**Four Week Classes**

Four week classes are held on Tuesdays or Wednesdays from 1:00-3:30pm.  
 Cost for the 4 week classes are **\$75** each. Registration form is on the back of this sheet.

**SPORT ADVENTURES: (October 2/3-October 23/24):**

Sport Adventures provides great exercise and fun in a structured format that introduces children to a wide variety of sports! This class will allow children to discover the champion within themselves while emphasizing teamwork and fair play. We will introduce children to the basics of our world's most popular sports while building coordination, balance, and confidence!

**MINI SCIENTISTS: (October 30/31-November 27/28 No class week of November 19):**

Curious about the world around you? Come join our class for a chance to explore through science! Children will have the opportunity to do hands-on experiments, test their hypotheses, and learn about science all while having fun. We will investigate many different topics, including our bodies, animals and insects, and our planet. This experience is tailor-made to spark a passion for the amazing world of science!

**LITTLE CHEFS: (January 8/9-January 29/30):**

This class encourages children to try new foods, practice counting and measuring, and have tons of fun in the kitchen. At the end of class, children will enjoy their creation and then share some treats with their families. Recipes will be shared so that parents and children can continue baking together at home.

**BEND AND BOOGIE: (February 5/6- February 26/27)**

Your little movers will experience a balance of yoga and dance through games and guided activities. They will bend and stretch, forming shapes from A-Z. They will express themselves through cool dance moves to familiar songs. Then they will meditate to soothing melodies while using their imagination to describe the world around them. Let's move!

**WACKY WEATHER: (March 5/6-April 2/3-No class week of March 25):**

Get ready to explore the weather around us! We will become Junior Meteorologists as we learn about temperature, clouds, snow, rain, sunshine and wind. We will learn about the wonders of weather and discover how the weather changes through the seasons.

**SPY KIDS: (April 9/10-April 30, May 1)**

Imaginary spy school will help children develop the powers of observation, listening skills and memory. We will work through these skills with hands-on experiences. With a mystery story, like "Where are the Missing Cookies," the class will ask questions and use their five senses to unlock the power of investigation and solve the mystery.
